About the Alliance

Integration...it is not a buzzword anymore. It is happening everywhere and the Alliance of Cardiovascular Professionals further validates the positive impact and success of this strategy.

Our name, the ALLIANCE OF CARDIOVASCULAR PROFESSIONALS stresses the importance of integration. Representing all levels and all specialties involved in the cardiovascular arena, we are able to provide our members with the highest quality services, benefits and representation.

For over 40 years, ACVP has provided its members with a commitment to excellence, leadership in representing and leading information. We are dedicated to continuing this covenant to our members and to the profession.

To join the thousands of other professionals, managers and administrators with diverse backgrounds participating in invasive, noninvasive, echocardiography and cardiopulmonary health care, call (757) 497-1225.

CEU's

The Alliance is a recognized provider of CEUs for cardiovascular practitioners through our own Cardiovascular & Pulmonary (CaPCE) continuing education program. ACVP is a licensed BRN provider in the State of California. Every 50 minutes of the program is entitled to 1 contact hour or .1 CEU. All of these CEU's are accepted by CCI for maintaining your credential.

ACVP is the leading provider of cardiovascular CEUs worldwide for practitioners and managers. Earn your CEU's through ACVP programs to maintain any credentials you may hold! If you require specific CEU's for any license, please call (757) 497-1225 for direct application.

Refund Policy

Refunds, less a \$45 processing fee, will be made for cancellations prior to two weeks before the teleconference for which you are registered. No refunds will be made for cancellations less than 2 weeks before the class. All refund requests must be made in writing. All no shows will be billed.
