

# Regional Meetings

# ACVP & Cleveland Clinic

## Regional meeting opportunities for cardiovascular professionals!

With all of the pressures facing cardiovascular professionals today, there has never been a more important time to come together to learn, network and support each other to make advancements in your own career and supporting patients.

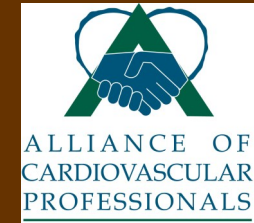

The Alliance of Cardiovascular Professionals brings you regional meetings to provide you with information, networking, and support.

If you are a nurse, technologists, RT, Manager, Administrator or work anywhere in cardiovascular services, this program is for you!!

YOUR PARTNER FOR SUCCESS...ACVP

## Cardiovascular Professionals CLEVELAND REGIONAL MEETING

Cleveland, Ohio  
March 19, 2011

# Cleveland Regional Meeting

## ABOUT ACVP

ACVP's strength lies in the fact that we have combined all the cardiovascular specialties and disciplines. This diversity provides a rich source for learning, networking possibilities and a strong voice in the field. ACVP is a unique catalyst for multi-skilling and cross training. Information and learning takes a leap forward with ACVP.

When you join the Alliance of Cardiovascular Professionals (ACVP), you're joining an organization respected throughout the world as an authority on Cardiovascular Management and Practice. We have almost 50 years of continuous service representing cardiovascular professionals across the country. Our membership consists of over 3000+ professionals specializing in all areas of cardiovascular practice: echocardiography, invasive, noninvasive, cardiopulmonary, and management. We also represent all levels of practice: administrators, managers, supervisors, nurses, technologists and technicians.

## Continuing Education Credits

Continuing education units will be awarded for participants in this meeting. Credits will be available for nurses, RTs, and CV Technologists. If you require additional CEUs, please call the ACVP office at 804.632.0078.

## Location Information:

Parker Hannifin Hall at  
Cleveland State University  
Cleveland, Ohio
