- Participate in Specialty Councils that provide you a marketing network that is dedicated to your service/product line.
- Take part in the governance of ACVP through board representation.
- Promote your products in creative and new educational formats.
- Communicate with over 3,000 active members.
- Capitalize on a unique opportunity for suppliers of products and services in cardiovascular medicine.

*About ACVP*

*Our mission: To be the international leader providing education, information, and resources for the advancement of professional caring for the cardiovascular patient. We invite YOU to join us in supporting the goals to meet this mission.*

- ACVP is the **ONLY** national organization representing all levels and all specialties involved in cardiovascular medicine.
- ACVP is dedicated to the professional development of its members
- ACVP has outlined a number of goals to help us meet our mission.
- ACVP needs your support and involvement in providing a comprehensive information and resource network.
- ACVP has more mechanisms for delivery and offers more educational programs for training and support than any other cardiovascular society.
- ACVP is a first step for healthcare institutions seeking qualified employees.
- ACVP works with more healthcare organizations, companies, healthcare institutions, credentialing bodies, standards setting organizations, and decision-makers for recognition and support of its members.
- Establish a productive and beneficial partnership — become part of ACVP today!

## Corporate Benefits for Your Company

ACVP values your supplier membership and provides many attractive benefits designed especially to meet your business needs. The memberships provides you with a marketing network dedicated to your product/service line. You can choose to deliver a broad message or a specific message to a targeted group of professionals — the choice is yours and its all possible through ACVP. The access available through ACVP is unparalleled.

You will be associated with the leading cardiovascular organization in the country. ACVP is unique in that it provides you exposure to clinical, management and administrative professionals. You can reach today's decision-makers as well as tomorrow's! Nowhere else can you get a broad based of support while providing specific messages to targeted audiences. ACVP also is unusual in that it requests YOUR leadership and shared governance. PARTNERSHIP is not just a word — it is a philosophy that pervades all activities within the organization.

ACVP truly provides you with a return on your investment that keeps returning year after year! Take part in an Alliance that makes a difference and will support your bottom line!
