PRIZE DRAWINGS

Win an iPad Mini or an Apple Watch!

Each referral earns you one entry into the prize drawing for an **iPad mini!**

Members who refer 10+ new members earn one entry into an **exclusive** grand prize drawing for an **Apple Watch!**

The health care field is rapidly changing and no one knows better than you just how valuable membership to ACVP is. You recognize the importance of being supported by professionals like yourself, so help spread the word about the only cardiac professional organization for Allied Health. Help your colleagues advance their careers with the great benefits ACVP has to offer: networking, publications, meetings, plus access to information tailored for professionals like yourself.

Consider sharing your membership experience by helping out your colleagues—and getting rewarded for doing so. In addition to the benefit of broadening membership, which expands our community and resources, you can earn gift cards or discounts for membership or ACVP meetings, plus entry into a prize drawing for an iPad Mini! And, if you recruit 10 new members, your name will be submitted for the grand prize drawing for an Apple Watch!

SHARE THE BENEFITS!

Cut out and personalize the attached cards and pass them on to colleagues and potential new members. To be eligible for prizes, remind them to mention your name when they join ACVP!

RULES & DRAWING DETAILS

In order to be eligible for prizes, your referrals must join ACVP. You may re-enlist former members if they have been inactive for more than two years. Referrers will receive credit for referrals who join from now until June 30, 2019.

You may recruit members personally or give ACVP the contact information of potential referrals via an online form. You will receive credit for a successful referral only if the contact joins.

Drawings for the iPad Mini and Apple Watch will take place in July. Gift cards will be sent out in July. ACVP credit will be awarded as a personalized coupon code when you next renew your membership or attend an ACVP meeting.

“ Over five years ago, I said “enough” to bureaucrats in Sacramento. To stand up to them alone seemed like a David and Goliath moment.

ACVP
MEMBER
Ed Pezanoski,
RCIS

“ So I reached out to ACVP for help. I have never been alone since then. Working as an individual, you can accomplish a lot, but working as a group, like ACVP, you can accomplish whatever you set your sites on.

“ I am proud to say, we are almost finished with regulations that will protect the future of Cardiovascular Professionals. Together we are helping to protect and shape the future of Cardiac Care.
